INDEPENDENT ACCOUNTANTS' REVIEW REPORT

The Board of Directors
Ascension Economic Development Corporation
Ascension Economic Development Foundation
Sorrento, Louisiana

We have reviewed the accompanying consolidated statements of financial position of Ascension Economic Development Corporation and Ascension Economic Development Foundation (nonprofit organizations) as of December 31, 2012 and 2011, and the related consolidated statements of activities and cash flows for the year then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Organization management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the consolidated financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the consolidated financial statements.

Our responsibility is to conduct the review in accordance with the Statements on Standards for accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the consolidated financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our review, we are not aware of any material modifications that should be made to the accompanying consolidated financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

Our review was made primarily for the purpose of expressing a conclusion that there are no material modifications that should be made to the consolidated financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America. The supplementary information included on pages 10 – 11 are presented only for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information has been subjected to the inquiry and analytical procedures applied in the review of the basic financial statements, and we did not become aware of any material modifications that should be made to such information.

ASCENSION ECONOMIC DEVELOPMENT FOUNDATION

NOTES TO FINANCIAL STATEMENTS

1. Significant Accounting Policies and Presentations

Organization and Purpose

The Ascension Economic Development Corporation (the Corporation) is a non-profit corporation which was organized to promote economic development for the Parish of Ascension and is funded by the Parish of Ascension, the City of Gonzales and the business community in Ascension Parish.

The Corporation's board of directors is appointed by the Parish of Ascension, the Ascension Chamber of Commerce, the City of Gonzales, and the President of the Parish of Ascension.

The Ascension Economic Development Foundation (the Foundation) is a non-profit corporation which was organized to support the Corporation through fundraising activities.

Basis of Accounting

The consolidated financial statements of the Corporation and the Foundation have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities.

Basis of Presentation

The Corporation and the Foundation report information regarding financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Cash Equivalents

The Corporation and the Foundation considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. Management believes all receivables to be collectible and no valuation allowance has been recorded for the years ended December 31, 2012 and 2011.

ASCENSION ECONOMIC DEVELOPMENT CORPORATION
ASCENSION ECONOMIC DEVELOPMENT FOUNDATION

NOTES TO FINANCIAL STATEMENTS

1. Significant Accounting Policies and Presentations (continued)

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported as net assets released from restrictions.

Grant Recognition

Grants that represent exchange transactions are recorded as a receivable when the grant costs are incurred and reimbursable.

Grants that represent contributed support are recognized in the same manner as contributions.

Income Taxes

The Corporation operates as a public charity under Section 501(c) (6) of the Internal Revenue Code and, accordingly, is exempt from federal and state income taxes.

The Foundation is exempt from income taxes under Code Section 501(c) (3).

The Corporation and the Foundation accounts for income taxes in accordance with income tax accounting guidance included in the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). Management believes it has no material uncertain tax positions and, accordingly there is no provision for income taxes in the accompanying financial statements.

The Corporation and the Foundation file Form 990 tax returns in the U.S. federal jurisdiction. Generally, the Corporation and the Foundation are no longer subject to U.S. federal, state and local, or non U.S. income taxes examinations by tax authorities for years before 2009.

ASCENSION ECONOMIC DEVELOPMENT FOUNDATION

NOTES TO FINANCIAL STATEMENTS

1. Significant Accounting Policies and Presentations (continued)

Property and Equipment

Property and equipment are stated at cost or at their estimated fair value at date of donation. Depreciation is provided using the straight-line method over the estimated useful lives of the assets with estimated lives between 3 and 15 years. Gains and losses from sales or retirements are recognized in the period of disposition.

Use of Estimates

The preparation of the consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

2. Accounts Receivables

At December 31, 2012 and 2011, receivables were as follows:

	<u>2012</u>	<u>2011</u>
Pearce Foundry, Inc.	\$ -	\$ 25,500
Total	<u>\$ -</u>	<u>\$ 25,500</u>

3. Property and Equipment

Major classifications of property and equipment as of December 31, 2012 and 2011 are summarized as follows:

Leasehold improvements	<u>6,764</u>	<u>6,764</u>
	23,785	23,785
Less: accumulated depreciation	<u>(18,034)</u>	<u>(15,519)</u>
Property and equipment, net	<u>\$ 5,751</u>	<u>\$ 8,266</u>

Depreciation expense related to the property and equipment in service was \$2,515 and \$2,865 for the years ended December 31, 2012 and 2011, respectively.

4. Retirement Plan

The Corporation has a 401(k) profit sharing plan for all full-time employees. The Corporation provides a 5% match of an electing participant's deferral and may make discretionary profit sharing contributions.

Furthermore, the parish of Ascension provided \$322,800 and \$272,800 during the years ended December 31, 2012 and 2011; as such, the Corporation is economically dependent on the Parish of Ascension.

7. Restricted Cash

Restricted cash in the amount of \$125,401 and \$125,293 for the years ended December 31, 2012 and 2011 is comprised of cash designated by the Board for strategic initiatives.

8. Subsequent Events

Management has evaluated subsequent events through May 16, 2013, the date that the financial statements were available to be issued, and determined that there were no events that require disclosure. No events occurring after this date have been evaluated for inclusion in these financial statements.

To the Board of Directors
Ascension Economic Development Corporation
Ascension Economic Development Foundation
Sorrento, Louisiana

We have performed the procedures included in the *Louisiana Governmental Audit Guide* and enumerated below, which were agreed to by the management of Ascension Economic Development Corporation and Ascension Economic Development Foundation, the Legislative Auditor, State of Louisiana, and applicable state grantor agency/agencies solely to assist the users in evaluating management's assertions about Ascension Economic Development Corporation and Ascension Economic Development Foundation's compliance with certain laws and regulations during the year ended December 31, 2012 included in the accompanying *Louisiana Attestation Questionnaire*. Management is responsible for its financial records and compliance with applicable law and regulations. This agreed-upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants and applicable standards of *Government Auditing Standards*. The sufficiency of these procedures is solely the responsibility of the specified users of the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Federal, State, and Local Awards

1. Determine the amount of Federal, state and local award expenditures for the fiscal year, by grant and grant year.

There were no federal awards or state awards noted.

2. For each federal, state, and local award, we randomly selected 6 disbursements from each award administered during the period under examination, provided that no more than 30 disbursements would be selected.
3. For the items selected in procedure 2, we traced the six disbursements to supporting documentation as to proper amount and payee.

We examined supporting documentation for each of the six selected disbursements and found that payment was for the proper amount and made to the correct payee.

4. For the items selected in procedure 2, we determined if the six disbursements were properly coded to the correct fund and general ledger account.

All disbursements were properly coded to the correct fund and general ledger account.

5. For the items selected in procedure 2, we determined whether the six disbursements received approval from proper authorities.

Inspection of documentation supporting each of the six selected disbursements indicated proper approval.

Open Meetings

6. We examined evidence indicating that agendas for meetings recorded in the minute book were posted as an open meeting as required by R.S. 42:1 through 42:12 (the open meetings law).

Ascension Economic Development Corporation and Ascension Economic Development Foundation are only required to post a notice of each meeting and the accompanying agenda on the door of the Ascension Economic Development Corporation's office building.

Comprehensive Budget

7. For all grants exceeding five thousand dollars, we determined that each applicable federal, state, or local grantor agency/agency was provided with a comprehensive budget of those grants that included the purpose and duration, and for state grants included specific goals and objectives and measures of performance.

Ascension Economic Development Board provided comprehensive budgets to the applicable state grantor agencies for the programs mentioned previously. These budgets specified the anticipated uses of the funds, estimates of the duration of the projects, and plans showing specific goals and objectives that included measures of performance.

8. We reviewed any prior year suggestions, recommendations, and/or comments to determine the extent to which such matters have been resolved.

In the reviewed financial statements for the year ended December 31, 2012, no suggestions, recommendations, and/or comments were noted.

We were not engaged to perform, and did not perform, an audit, the objective of which would be the expression of an opinion on management's assertions. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of management of Ascension Economic Development Corporation and Ascension Economic Development Foundation, the Legislative Auditor (State of Louisiana), and the applicable state grantor agency/agencies and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes.
